Announcements:

Ken Whittle announced that Field of Dreams is now incorporated and he is President.  
The mission is to build and maintain public parks.

Round Table

Lori is opposed to the Recreation Center in the NRP because of traffic and parking issues.

Jackie questioned the survey results.  
General discussion about the survey.

Rick questioned the legality of giving a non-profit recreation center public land. He predicts that the recreation center will move in with trailers because they have no money. He predicts that if the recreation center does move to the park there will be litigation.

Jesse noted that the same problem is occurring in Arroyo Grande with the Historical Society where public money is the issue.

Ken wants to make a priority list for the Park.

Larry wants Park development kept to a minimum.

Harry wants Park maintenance to be the first priority.

Linda wants    Multiuse field  
                    Softball field  
                    Horse staging area  
                    Not change wild area  
                    Expand horseshow pits

Separate outdoor basketball courts  
Multiuse trails

Jesse distributed Capital Projects Criteria for Parks. This is how the County evaluates Projects. Jesse distributed the County budget for parks and there appears to be more than \$1.9 million for NRP. Explanation of Quimby and PFF moneys.

Next Park community workshop is 7/12/04 at Nipomo Highschool

Next meeting 6/25/04
